basic tables, chairs, linens, and a candle-based centerpiece. All other events will require a rental invoice to be created. Please email to request a bid for rentals.

8. What is the capacity for guests?

For a sit-down dinner 250 seated and For a cocktail reception (half standing) you could get 275 in the space. If you wish to have a seated dinner and dancing, we suggest having a guest list less than 250.

9. What about other rental and decor items?

You may plan your own decorations or work with a professional company for centerpieces. We have preferred companies that have a key to The Conservatory and can decorate after hours alleviating potential stress by providing your own décor items.

10. How do I reserve a date?

You can reserve a date by placing a deposit of 50% of the total rental cost. Email us to book. You can place a "soft hold" on any date without a deposit, you would then get first right to book the space if someone else is interested in that date. It is possible that the date you want is on hold right now. If someone already has a hold on a date, then you would be in the second hold position. If you were to want that date the person in the first hold position would have 7 business day to produce the deposit check or it would fall to the person in the second hold position. You would then be required to place a deposit of half the rental amount and that would book the date. A soft hold is good for 7 days and then it expires. You may put another soft hold on that date if you contact The Conservatory before it expires. Visit this link to hold a date: <http://www.theconservatoryev.com/hold.html>

11. Do you offer non-profit or off-season discounts?

We do offer discounts and off-season discounts. For Saturday's from January to April the space is discounted to \$2500 with table, chairs, & centerpieces included. Other discounts are available. Please email us to request pricing. To request a non-profit discount, please complete the form located in this link: <http://www.theconservatoryev.com/non-profit.html>

12. Do you have a list of bar prices?

We do have a list of all bar prices and helpful calculator to estimate how much of your budget will be bar related items. Please email to request the current pricing.

13. How does the bar work?

We can do a mix of hosted and 'cash' bar options to meet your budget needs.
